## NOBLE RULER REPORT

Zachary D. O'Diam

Things are finally starting to settle down here in Columbus as we come closer to the Buckeyes finishing up their great, yet disappointing (we did lose) season. Football parking as always was a blast and a great fundraising event for social events and recruitment, and we appreciate all alumni who came out

to support us and stop by the house.

One of the many events that highlighted this extensively busy autumn quarter was our homecoming brunch against Purdue. Although the noon game was somewhat inconvenient, the event and food was great for all that attended and seemed to be a great success for alumni attendance. During homecoming week we were paired with the ladies of Delta Zeta. We experienced amusing times during bowling nights and our themed gathering "A Day at the Races" at Donatos. Fun was had by all and the ladies were amazed and entertained, to say the least, by the creativity some of the undergraduates had for NASCAR fan outfits.

Another event highlighting my last quarter as Noble Ruler was our trip out to the Wisconsin-Madison AGR chapter. About 15 undergraduates made

the voyage for what turned out to be a VERY disappointing football game. Despite the loss, we had a great time sharing stories and hanging out with the brothers of Iota chapter, and surprisingly no Beta was left in the lake that is the backyard at Iota's house. At the end of the quarter we will be initiating about eight new brothers into Beta chapter, all of whom have great qualities that my brothers and I feel meet the requirements for membership to our fraternity house.

My last challenge would be for all alumni reading this to get involved. As we push closer towards a renovation, help is needed by all who are willing and able to contribute. You are all welcome to stop by any time. Whether it's a Monday night dinner or just a lazy afternoon, stop by and get to know the new faces that fill 1979 Iuka. As my term comes to a close, I would like to thank all alumni for their continued support of Beta chapter. My great officer team and of course all undergraduates who made my job interesting are much appreciated. My leadership of AGR's Beta chapter has been a great experience for me that I will cherish throughout my life.

## FINANCE REPORT

The brothers of the Beta chapter have been continuing the strong tradition of parking cars on home game days here in Columbus. This has been a large money maker for the chapter in the past and has continued to prove successful for us. The hard work that is applied by the undergraduates allows us to improve many of our date parties, such as the Pink Rose Formal, Moose party and Boar party. This helps to permit us to make many memories, which I am sure we will reminisce about just as many of the current alumni do.

With the increased number of people living in the house it makes balancing the house budget much easier

and has allowed us to contemplate ideas such as the house purchasing all members matching shirts. This will hopefully benefit us in many ways, by advertising the Fraternity on campus and to create a greater sense of brotherhood. We are always open to the continued support of the alumni and appreciate any interactions that we have had and will have in the future.

## GRADUATING BROTHERS

### KENDELL WINEGARDNER

I have spent three years and one quarter living in the chapter house, and I can't imagine spending my college career anywhere else. I've made so many lifelong friends and lifetime memories. Some of my most memorable moments in the house are football game days, especially College Game day, also the house date parties, and random bar trips through the week. It is really nice knowing when I come back to the university area I will always have a place to come back to at 1979 Iuka. I would just like to thank the Fraternity for all the memories that it has given me and wish the best of luck to the current brothers in all that they encounter.

### EVAN PARRISH

It's hard to describe the feeling an AGR has as his days of being an active brother come to an end. It's a chapter of my life that I'll fondly remember and cherish forever. The memories of my time here at 1979 Iuka are filling my head as I write this, but to list just one wouldn't be fair. My time here at Beta chapter has been nothing short of exciting and fun-filled, and I know the friendships I've made here will last a lifetime. Now that it is time to move on from the place that I have grown so fond of, I do so with great humility and respect for the place that I believe has molded me into the person I will be for life.

### CURTIS BICKEL

I will be an alumnus by the time this article hits the readers. I will always miss eating lunch on a daily basis and hearing the last night's festivities replayed for all to hear. The bonding and sharing of these always entertaining stories can't be matched. A couple of my favorite memories would include the night we blocked Iuka Ave with giant snow boulders and all the laughs that they brought. The other that pops into my mind would have to be the many date parties and the traditions practiced at the dances. I would lastly like to wish the best of luck to the guys that have more schooling to finish.

### NEIL DUNCAN

Joining Alpha Gamma Rho has been one of my most enjoyable experiences while attending the Ohio State University. I befriended and met a lot of great people by joining the Beta chapter and will continue to have these relationships after my college education is done. I have had an executive position in the house which gave me leadership responsibilities that I wouldn't have had otherwise. Lastly, the networks you receive and can take advantage of out in the workforce, is a great connection to have in which I have already seen the advantage for myself.

## ACTIVITIES REPORT

Fall quarter has been filled with exciting adventures thus far. A few weeks into the quarter we hosted a welcome back social. We invited all of our good friends over to have a great evening. A few weeks later many of the guys made the road trip up to the Wisconsin AGR house for an eventful time up north. No matter where the Beta boys go, we always have a blast, which held true in Wisconsin even though the Bucks lost. Halloween...enough said. The PPC guys pulled off another

great social with decorations, friends and brother Edgington. The rest of the quarter is going to be just as exciting if not more. We will be paint balling soon with some recruits and Sigma Alpha girls. Also, the ski trip to Holiday Valley is approaching soon.

# ALUMNI RELATIONS REPORT

As the fall quarter begins to wrap up here at Ohio State, we begin preparations for a new year and new opportunities for the Fraternity. Fall has been an exciting time to kindle new relationships between undergraduates and alumni and hopefully such connections will continue into the future. Being elected as the new VNR Alumni Relations, I plan to contribute my best efforts toward coordinating with alumni to improve the chapter as a whole. Communication is one of the fundamental factors that leads to the success of any organization. As a result, I believe correspondence with

alumni will be extremely beneficial to the productive social and professional efforts of our chapter. If anyone has questions about me or my plans for my position, please feel free to contact me at [christy.73@buckeyemail.osu.edu](mailto:christy.73@buckeyemail.osu.edu). Thanks for your support of the Beta chapter, and I look forward to talking to various alumni in the future.
